Unless the proposal to grant 5000 Rs from the municipality and 5000 Rs from the Dt Funds is sanctioned, I have no hope of our being able to do anything with the ~~propo~~ project. These funds are rather poor at present, but the Memorial Hall is a sacred purpose, which should be provided for as a debt of honour. I shall feel it a great personal favour if you can support my proposal and procure early orders of Govt sanctioning the proposals for appropriation that I have submitted. Sir,

I have the honour to submit herewith, copies of two resolutions of the Shimoga Municipal Board — concerning the grant of a sum of 5000-0-0 Rs from Municipal Funds for the construction of a building in Shimoga to be Styled the — Chamraj Memorial Hall in — honour of His Highness the late — Maharaja Chamarajendra Wodeyar; and for the grant of a site for the purpose in the Maharaja's Park.

I delayed the submission of these resolutions for orders of Government as I for wished to see how for we could expect to get subscriptions for the purpose As a sum of nearly 2000 — 0 — 0 Rs. has been subscribed, I think we may now fairly take steps towards beginning the construction. I therefore request that the Government may be pleased to sanction the allotment of the amount to be paid out of the reserve at the credit of the Municipality, one-half (if need be) being reserved to be paid next year

If this proposal is sanctioned I shall also feel obliged if the gracio permission

permission of Her Highness the Maha-
-rani Regent is procured for the —
Construction and naming of the build-
-ing as proposed.

A drawing of the proposed —
Structure is herewith forwarded, and
as there is at present no suitable
building in this town for Municipal
and General meeting purposes, the
charge, it is submitted, is a very
proper one on the Municipal Funds.

Sir,

I have the honour to state that the municipal Board of Shimoga had resolved on the 20th Aug. st. 1898 that a site in the Maharaja's park should be allotted for the Chamaraj Memorial Hall, and that this was approved by Government in their proceedings No. I 272-80 / LF 33-98 dated 14th December 1898. It was found that the site selected fell partly outside the present limits of the park, on account of the low-ness of the situation elsewhere, and as a private building stood at the spot it had to be acquired for extending the park limits. The Deputy Commissioner has fixed compensation for this building and site at Rs 500/- and a resolution has been passed at the last municipal meeting that this amount should be paid from the Municipal funds.
